Meeting of ISO/PC 303, Guidelines on consumer warranties and guarantees

For those members having expressed interest in attending a meeting of ISO/PC 303 on 11-12 May, we regret to inform you that this meeting has been cancelled in order to put priority on the COPOLCO events.

The leadership team of ISO/PC 303 is looking for a potential host for a rescheduled meeting, and we will inform you of any developments. In the meantime, we would be pleased to hear from you if your National Standards Body is already a member of ISO/PC 303 (or interested in joining it) and could host a meeting of this PC in the near future.

We thank you for taking note of the above.

Yours faithfully,

Dana Kissinger-Matray
Secretary of COPOLCO
